# THE MAPEX WARRANTY

---

It's one of the best warranties in the business. A lifetime warranty on drum shells, one year on finishes and hoops and an incredible five years on hardware. All Mapex products are built in Mapex's ISO-9001 certified factory, which means you can count on superior quality — right out of the box.

MAPEX drums, hardware, stands and accessories, except as noted, purchased from an authorized MAPEX dealer, are warranted to the original retail purchaser against defective material and workmanship. Warranty coverage is not transferable and shall be valid by item and subject to terms and conditions indicated below. The original retail purchaser must include a copy of their original sales receipt or provide proof of sale by an authorized MAPEX dealer to activate warranty service without charge.

## WARRANTY COVERAGE AND TIME PERIOD

### *Shells*

Drum shells are covered under a limited lifetime warranty to the original retail purchaser against splitting, ply separation, material failure and going out of round as a result of manufacturing. Defects caused as a result of wear, handling, negligence, temperature, humidity, corrosive atmosphere or other external causes are not covered under this limited lifetime warranty.

### *Finish & Hoops*

Both lacquered finishes and hoops and all wrapped finishes are warranted to the original retail purchaser against defective material and workmanship for one (1) year from date of purchase. Defects caused as a result of wear, handling, negligence, temperature, humidity, corrosive atmosphere or other external causes are not covered.

### *Stands, Pedals & Hardware*

MAPEX stands, pedals and hardware are covered under a limited five (5) year warranty to the original purchaser against defective material and workmanship. Defects caused as a result of normal wear, handling, negligence, temperature, humidity, corrosive atmosphere or other external causes are not covered under this limited five (5) year warranty.

The following items are not covered under the MAPEX Warranty; heads, plating, pedal beaters, springs, snares, straps, normal wear and tear, sound or damage from shipping and transportation. The MAPEX Warranty is rendered void on all items that have been altered, modified or subjected to improper operation, misuse, neglect or exposure to extreme conditions.

## OWNER'S RESPONSIBILITY

Repaired instruments will be returned freight collect.
